

The figure displays three bar charts side-by-side, each representing a different class: RA_Healthy_Gingivitis, RA_Stable, and RA_Still_Improving. The x-axis for all charts is divided into five categories. The y-axis represents frequency, with a horizontal line at 1000 for the first chart and at 500 for the others.

Category	RA_Healthy_Gingivitis	RA_Stable	RA_Still_Improving
Category 1	~1500	~50	~50
Category 2	~1000	~50	~50
Category 3	~1000	~50	~50
Category 4	~50	~50	~50
Category 5	~50	~50	~50
